**PETITION TO CONSIDER RESPONSE TO OFFICE ACTION FILED AS
OF ITS DEPOSIT DATE WITH THE USPS UNDER 37 CFR § 1.10(e)**

Dear Sir:

Applicant(s) hereby petition that the Response to Office Action filed on October 23, 2003 be accorded the filing date of October 23, 2003. The Response to Office Action was filed utilizing the Express Mail Procedures of 37 C.F.R. § 1.10. An Information Disclosure Statement was submitted with the Response to Office Action. The PAIR system indicates that the Information Disclosure Statement was received but gives no indication as to whether the Response to Office Action was received by the United States Patent and Trademark Office. A Request for Status filed on April 13, 2004 has failed to resolve the issue. Applicants consulted with Examiner Shapiro on August 17, 2004 and are promptly taking this action in response to his suggestion.

Accordingly, applicant(s) are submitting herewith a copy of the Response to Office Action, a copy of the "Express Mail" mailing label with the date indicated thereon and a copy of the returned postcard showing receipt of the correspondence by the United States Patent and Trademark Office. The copy of the Response to Office Action submitted herewith shows that the number of the "Express Mail" mailing label was placed on the paper(s) that constitute the

correspondence prior to the original mailing by "Express Mail". The copies of the correspondence, the postcard receipt and the "Express Mail" mailing label are true copies of the originally mailed correspondence, original "Express Mail" mailing label, returned postcard receipt, and official notation entered by the USPS.

If there are any questions regarding this matter, the Examiner is respectfully requested to contact the undersigned at the number indicated below.
